

Table with 100 columns and 100 rows of alphanumeric characters. The table is organized into 10 groups of 10 rows each, with group numbers 80, 90, 100, 110, 120, 130, and 140 indicated on the right side. The characters are a mix of letters, numbers, and symbols, appearing to be a random or pseudo-random sequence.
